Free Information Sessions...

Do you have concerns that your child may have some additional needs?

Would you like to know a bit more about who can help you and your child?

We are holding a series of information sessions to help you find out more about the special educational needs “system”. It will also be an opportunity to meet other parents and to find out about our service and possibly becoming a volunteer. We will also be signposting you to other sources of support including the Local Offer.

Sessions begin on **Tuesday 13th November 2018** and will run for 4 weeks (each Tuesday). You are welcome to attend all the sessions or just sessions which are of interest to you.

Time: Start at 10 a.m. – Finish no later than 1 p.m.

Venue: Council Offices in Ellesmere Port, Room 2.2, 4 Civic Way, Ellesmere Port, CH65 0BE (Meet in reception)

Programme for the sessions:

- **Session 1:** What does the Special Educational Needs Code of Practice say schools should do to meet the needs of children and young people with SEN ?
