Dear Parent/Carer

As we move towards the end of term, I wanted to take the opportunity to remind everyone about uniform expectations and requirements. We are very aware that school uniform can be an expensive purchase and we are keen to ensure that you do not end up spending more than is necessary by purchasing items which contravene our uniform policy. This is a particular issue when it comes to footwear, and I therefore want to remind parents/carers that we only allow plain black (leather look) shoes. Trainers, pumps or similar are not allowed (even if they are all black). To help you to choose an appropriate pair, I have attached some images which illustrate exactly the types of footwear we do and do not allow.

Should students choose to wear any item of uniform which does not comply with rules and expectations, this will be followed up and replacements will need to be purchased. It is therefore with this in mind that I want to ensure everyone has all of the necessary information to purchase exactly what is needed and not end up spending more than is necessary.

If you have any queries, please do contact school to check.

I would like to take this opportunity to wish you a lovely summer; I hope that the students are able to rest and recuperate after another busy year and we look forward to seeing them all return in September.

Yours faithfully

Mrs C Scanlon
